

Woodlake Elementary Community Charter Dress for SUCCESS!!

When you get dressed in the morning for school, we ask that you:

- Be yourself!
- Wear shoes that fully cover your toes and heel for safety on the yard and during PE.
- Choose clothes that you love and that make you feel good.
- Express your creativity with your clothing and hair, all hair styles are welcome at Woodlake.
- Don't be afraid to wear something different or unique.
- Complement other kids when they wear something you like.
- Encourage others to feel comfortable in the clothes they choose to wear.
- Label your clothing! Especially anything that you might take off during the day. (Hats, Jackets, Sweaters, Sweatshirts)

What you are not allowed to wear at Woodlake:

- Clothes must cover your entire torso and shorts must be longer than your thumb length.
- Any item of clothing that expresses negativity towards an individual or a group on account of race, color, national origin, sex, disability, religion, or sexual orientation.
- No bad or suggestive words or images on your clothing or personal items.
- No images of weapons or violence on your clothing or personal items.
- No hats or hoods on in the classroom (you may wear them on the yard, but no hoods that cover your face).
- If your clothing causes a big distraction to other children at school, you may be asked not to wear that item of clothing again.

The administration and/or School Governance Council reserves the right to modify the dress code in regards to any items which affect the safety and/or security of the campus, or disrupt the learning environment. Feb. 15/2022
