Woodlake Elementary Community Charter

Attention Parents and Community Members:

We need you for our new **Local School Leadership Council (LSLC)/Governance Council**.

The **Local School Leadership Council (LSLC)** is a shared decision-making body, composed of 12 elected members that meets monthly during the school year. The council is composed of the Principal, UTLA chapter chair, teachers (5), **parent and community members (4)**, and Classified staff members (1). The LSLC works cooperatively to make decisions in these areas of the school program:

- *School calendar*
- *Professional development schedule*
- *Budget for instructional materials*
- *Positive behavior support plan*
- *Use of some school equipment*

Voting will be held in person on Back to School Night (9/19).
