### **Spanish Class**

focusing on listening, speaking, reading and writing Spanish

**Fishbowl** is a youth entrepreneurship program designed to encourage creativity, self-expression, and personal development in young students.

**ST Math** is a visual instructional program that leverages the brain's innate spatial-temporal reasoning ability to solve mathematical problems.

**Mindful Doodling** is a Social Emotional Learning oriented class to learn ways to help calm ourselves and relieve stress.

**Homework Club** is a program that focuses on homework completion and tutoring

**TouchMath** is a multisensory math program that makes critical math concepts appealing and accessible for students who struggle to understand grade-level content.

**Fitness & Yoga class** will focus on kid-friendly cardio activities. Mixed with yoga to teach muscle stretching!

**Let's Argue** is a program that empowers students to advocate for themselves and their communities. It aims to build the skills and confidence they need to craft logical and persuasive arguments, listen effectively, and think critically about important issues.

**BookNook's** is a synchronous online learning platform that is designed to help schools easily implement high-impact tutoring to improve reading skills.
